Chapter 4
Configuring Server Storage

Activity Known Issues

Activity	Issues
4-3	Step 10: "The icon color of Disk **2** changes to light-blue." This should read "The icon color if Disk **3** changes to light-blue."
4-4	Step 4: "After the screen refreshes…, you see **three** disks in the Physical Disks pane…" This should read "After the screen refreshes…, you see two disks in the Physical Disks pane…" (HT: Dennis Olson)
